Who will benefit?

The JBSA Business & Entrepreneurship Program is suitable for business owners that want to learn how to do business God's way and unlock their full potential. As well as anyone with a dream, vision or idea that they want to turn into a successful, profitable business.

Why consider Joseph Business School Africa?

Course Outline

There are over 30 modules covered; and include the following core areas:

- Business Opportunities
- Marketing and sales
- Legal framework
- Information technology
- Accounting and finance

Prayer

Each student will receive prayer & support.

Prayer is foundational to unlocking the individual and business potential, that God has placed in each entrepreneur.

Action Learning

The course design and teaching methodology is geared towards practical implementation.

- A state-of-the-art innovation centre
- Business field trips
- Workshop days
- Practical tuition

Mentorship

Each student will receive group and individual mentorship and will become part of an alumni network that facilitates ongoing growth and development of each student.

Business Intervention

Students will have the opportunity of being connected to various governmental and private institutions for assistance.

Faculty

JBSA is facilitated by a top-class faculty who are either successful entrepreneurs themselves or have extensive experience in their particular field of expertise.

What will you learn?

Business fundamentals are a vital part in any business model. At JBSA, we equip students with all the fundamentals of establishing and running a business; underpinned by the wisdom of God. On the completion of the 9-month program, students will be equipped with the necessary skills to formulate a business plan that will enable them to either launch a new business or scale up an existing business.
