

HERE ARE TWO SECRETS!

Never allow the following words out of your mouth. Get around them in some kind of way. In the case where a salesperson is pushing you for an answer, never say “I can’t afford it.” Rather say, “I’ll be back.”

Never say, “I’m on a fixed income.” By saying this, you have just stopped every unexpected cheque from coming into your hands.

Watch your words. They are either bringing increase or decrease to your life.
