

THE CLEARER THE PICTURE, THE FASTER THE DELIVERY

It's a simple principle that applies to everything from the delivery of a baby to the delivery of a sermon.

When you have a clear picture of what you want to deliver, you can deliver it faster.

Let's look at an example from the Bible. In the book of Acts, we see how Peter's vision of the cross changed his thinking and his delivery. Before his vision, Peter was a man who was afraid to preach the gospel to the Gentiles. But after his vision, he was able to deliver the gospel to the Gentiles with confidence.

When we have a clear picture of what we want to deliver, we can deliver it faster. We can deliver it with confidence. We can deliver it with authority. We can deliver it with power. We can deliver it with love. We can deliver it with joy. We can deliver it with peace. We can deliver it with hope. We can deliver it with faith. We can deliver it with grace. We can deliver it with mercy. We can deliver it with kindness. We can deliver it with patience. We can deliver it with gentleness. We can deliver it with self-control. We can deliver it with all the fruits of the Spirit.

So, if you want to deliver your message faster, clearer, and more effectively, you need to have a clear picture of what you want to deliver. You need to know exactly what you want to say, and you need to know exactly how you want to say it. You need to have a vision of the cross, and you need to have a vision of the life that is yours in Christ. You need to have a vision of the kingdom of God, and you need to have a vision of the glory of God. You need to have a vision of the love of God, and you need to have a vision of the grace of God. You need to have a vision of the mercy of God, and you need to have a vision of the kindness of God. You need to have a vision of the patience of God, and you need to have a vision of the gentleness of God. You need to have a vision of the self-control of God, and you need to have a vision of all the fruits of the Spirit.

When you have a clear picture of what you want to deliver, you can deliver it faster. You can deliver it with confidence. You can deliver it with authority. You can deliver it with power. You can deliver it with love. You can deliver it with joy. You can deliver it with peace. You can deliver it with hope. You can deliver it with faith. You can deliver it with grace. You can deliver it with mercy. You can deliver it with kindness. You can deliver it with patience. You can deliver it with gentleness. You can deliver it with self-control. You can deliver it with all the fruits of the Spirit.

TAKE A LOOK AT WHAT GOD DID FOR ABRAHAM

Let's look at another example from the Bible.

In the book of Genesis, we see how God did for Abraham. God called Abraham out of Ur of the Chaldees and brought him to Haran. Then God called him to leave Haran and go to a land that God would show him. Abraham obeyed God, and he went to a land that God showed him. God did for Abraham what he did for Peter. God changed Abraham's thinking and his delivery. Abraham was able to deliver the gospel to the Gentiles with confidence.

LET'S LOOK AT ANOTHER EXAMPLE FROM THE BOOK OF ACTS

In the book of Acts, we see how God did for Paul. God called Paul out of Tarsus and brought him to Antioch. Then God called him to leave Antioch and go to a land that God would show him. Paul obeyed God, and he went to a land that God showed him. God did for Paul what he did for Peter. God changed Paul's thinking and his delivery. Paul was able to deliver the gospel to the Gentiles with confidence.

You need to have a vision of the patience of God, and you need to have a vision of the gentleness of God. You need to have a vision of the self-control of God, and you need to have a vision of all the fruits of the Spirit.

ALL OF THIS INSPIRED BECAUSE GOD CHANGED PETER'S THINKING WITH A VISION.

“HE TOOK THE STARS IN THE SKY
and painted a new picture for him.”

HE USED STARS BY NIGHT SAND BY DAY

GENESIS 15:3-5

What did God do to change Abraham's belief? He showed him an image... He took the stars in the sky and painted a picture for him.

At that time there was no canvas so He used the stars. He used the canvas of nature and told Abraham to look at it. That was Abraham's faith prop. We have a Dream Book as our canvas.

There may be a car you want. Take a picture of it and paste it on your dream-sheet and put it on your fridge.

When you practically take this step, you are changing your thinking and raising your expectations.

God had Abraham looking at the stars at night and the grains of sand by day so that each time he would remember what God had promised.

For Abraham, this was a form of meditation. His dream was always before him night and day.

Having your dream constantly before your eyes is a way for you to transform your thinking to line up with God's Word and His will for your life.
