SPECIAL THANKS

It is impossible for any person to deserve full credit for any work accomplished, as our lives in reality, are 'a collection' of contributors and influencers.

Firstly, I would like to thank the precious Holy Spirit for His constant guidance in my life and in this project. You truly are 'my Wonderful Counsellor' and you are 'the True Author'. Without your presence in my life, life would be meaningless...

My beloved wife Lydia, you are my 'shining light', I love and appreciate you with all my heart. Thank you for all your input on this project and allowing me the time needed to fulfill this dream. You are a constant well of living water.

A special thanks to Pastor Rodney and Valda Sneddon, my in laws, you stood with me in the transition. When I came home you put 'the best robe' (righteousness) around me, you put 'a ring' (authority) on my finger, and 'shoes' (son's wear shoes) on my feet, thank you...

To all who have been a constant encouragement in my life, thank you. My deepest desire is for all your desires to be fulfilled.
