

Mrs Disney walked up to the podium, looked at the crowd and said, in effect, “I must correct this young man. Walt already saw the mountain. It’s you who are just now seeing it.”

WALT DISNEY

Vision is not sight, it’s insight. Vision is having a clear picture of conditions that does not currently exist in the natural realm. It’s having a strong mental image or picture of your destiny. Now it’s your turn to bring forth your dreams! It’s your turn to bring forth the potential that God has placed in you to impact your generation.

God told Abraham, “lift up now your eyes and look from the place where thou art northward, and southward, and eastward and westward: For all the land that thou seest, to thee will I give it, and to thy seed forever.”

What did God tell Abraham? Until you see it you are not entitled to get it! What you see will become your boundry. Whatever you can see, he is committed to delivering it. What you see today is what you will experience tomorrow. It’s a law of the spirit!

We liken ‘the heart or spirit’ of a man to a ‘painter’s canvas’. What we dream and envision is ‘the paint’ and if we take the ‘brush of faith’ and begin to paint our ‘dreams and visions’ given by God on the canvas of our heart, they will become a reality.

“Keep your heart with all vigilance, and above all that you guard, for out of it flow the springs of life.”

Proverbs 4:23

God had a dream for the children of Israel. He told Moses to send men from every tribe (Leaders) to search the land, “which I give unto the children of Israel.” Numbers 13:1 - 2.

Caleb was one of the men sent and he saw the land with the eyes of faith. “And Caleb stilled the people before Moses, and said, ‘Let us go up at once and possess it for we are well able to overcome it.’” Numbers 13: 30.

Caleb saw what God had promised. He saw the promise. What do you see? The others couldn’t see themselves in the land that God had promised them.

But the men that went up with him said, “We be not able to go up against the people for they are stronger than we. And they brought up an evil report of the land which they had searched unto the children of Israel saying, ‘the land, through which we have gone to search it, is a land that eateth up the inhabitants thereof; and all the people that saw in it are men of great stature. And there we saw the giants: the sons of Anak, which come of the giants, and we were in our own sight grasshoppers, and so we were in their sight.’”

Numbers 13:31-33.

They were looking at themselves, and their own abilities, instead of focusing on the promise of God. While Joshua and Caleb were focused on what God had promised.

“Behold I send an angel before thee to keep thee in the way and to bring thee into the place which I have prepared.” *Exodus 23:20-23*

Only Joshua and Caleb saw what God had promised. The other 2 to 3 million people with the 10 leaders that came back with the bad report all died in the wilderness never seeing and receiving what God had promised them!

WHERE IT ALL STARTED

What do you see today, the promise or the problem? You must develop the “eye of faith” in order for you to enter into what God has promised for you.
