

LIVING FROM THE INSIDE OUT

WHO AM I WORKBOOK

GET YOUR ROAR BACK

Discovering Your True Identity

The Who Am I? workbook, inspired by The Dreambook, helps you discover your true identity and purpose. Think about Simba from The Lion King. He forgot he was a king and ran away, but when he looked at his reflection in the water, he saw more than just himself—he saw his father's strength and heard his voice reminding him who he truly was. In the same way, God sees who you are, even when you forget. Like Gideon in the Bible, who thought he was weak, God called him a mighty warrior (Judges 6:12). This workbook uses fun and engaging activities to help you see yourself through God's eyes—strong, chosen, and full of potential, ready to live out the amazing plans He has for your life.
