

LESSON 2

HOW DO OTHERS SEE YOU?

HOW DO OTHERS SEE YOU

Think of *The Lion King*—the moment when Simba looks into the water and only sees himself, lost and unsure. But then, the water shifts, and he sees something more—his father's strength, his true identity, and his royal purpose. **“Remember who you are,”** Mufasa tells him. That moment changes everything.

Now, think about the Video. People described themselves to an artist, but they focused on their flaws—“I have a big jaw,” “I look tired,” “My face is round.” But when strangers described them, their sketches were brighter, happier, and more beautiful. This proves something powerful—we don't always see ourselves as we truly are.

Like Simba and the people in the Dove video, we often focus on what we think is wrong with us. But others can see the beauty, strength, and kindness we don't always notice. This section will help you see yourself through the eyes of others and appreciate the unique qualities God has placed in you.

Scripture Reference:

“Encourage one another and build one another up.” (1 Thessalonians 5:11)

God calls us to lift each other up because He knows that sometimes, we struggle to see the good in ourselves. Encouragement helps remind us of the truth—you are fearfully and wonderfully made.

Did you know that God used a mirror to teach an important lesson? In James 1:23-24, the Bible says that when we forget who we are in Christ, it's like looking in a mirror and then walking away, forgetting what we saw!
