

# MY IDENTITY POSTER

## A REFLECTION OF WHO GOD SAYS I AM

Throughout this workbook, you have been on a journey of discovering your true identity—not through the labels of the world but through God's truth.

Like Gideon, who saw himself as weak, but was called a mighty warrior (Judges 6:12), you, too, have learned to see yourself differently. You have looked in the mirror, reflected on others' perspectives, and uncovered who God says you are.

Now, it is time to bring everything together and declare your identity boldly.

This Identity Poster is not just an art project—it is a declaration of faith. It is your reminder of truth, your visual testimony, and a representation of your God-given identity and purpose.
