

Step 1: Gather Your Truths

Look back at your previous workbook activities:

- Your Mirror Exercise: How do you see yourself?
- Your Peer Reflection: How do others see you?
- Your Creator's Canvas: How does God see you?

Write down the words, images, and truths that stand out to you the most. These will form the foundation of your poster.

Step 2: Create Your Identity Poster

Design Your Identity Poster

- Use a combination of confessions and creative visuals (e.g., drawings, colors, Bible verses).
- Think of it like a faith vision board—a reminder of who you truly are.

Step 3: Share Your Identity

- Post Your Identity Poster on **Facebook**
 - Tag @TheDreambookOfficial and @ThomasMoreCollegeKloof
 - Use hashtags:
 - #GetYourRoarBack
 - #ChristianArtsFestival

Your story can encourage others to embrace their God-given identity.

Like Simba in *The Lion King*, when he saw his father's reflection, he was reminded of his true identity.

"Remember who you are."

In Christ, you are chosen, strong, and created for great things (1 Peter 2:9).

This poster is your declaration of faith. Live it. Own it. Share it.
