

WELCOME TO YOUR JOURNEY

THINK OF SIMBA FROM THE LION KING.

He forgot who he was—a king—and ran away because of fear and guilt. But when Simba looked at his reflection in the water, he saw more than just himself—he saw his father's strength and heard his father's voice reminding him, ***"Remember who you are."***

Sometimes, we forget who we are too. We focus on flaws or compare ourselves to others. But God sees us as His masterpieces. The Bible reminds us:

"I praise You because I am fearfully and wonderfully made."
(Psalm 139:14)

This workbook will help you:

1. Reflect on how you see yourself.
2. Understand how others see you.
3. Discover how God sees you.
4. Learn to live confidently as the person God created you to be.

Why It Matters

Sometimes, we only see what's wrong with us: ***"I'm not good enough," "I don't look like them,"*** or ***"I keep messing up."*** But just like Simba, you're more than you think you are. God's voice is constantly reminding you of your value. This workbook is here to help you stop running from who you are and step into the person God created you to be—a strong, unique, and loved child of God.
