

A few years back a lady came to visit my wife and me as she was battling to conceive a child. We gave her various scriptures to meditate on and confessions to make daily. The following morning I was in my secret place praising the Lord and the Holy Spirit prompted me to pray for this lady's womb. Within moments I held in my hands a womb. I was shocked, but I began to speak life into it and wrestled against any forces of darkness holding back this child as we are taught in Ephesians 6:12 (KJV) "We wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places."

I found myself making decrees over her womb in the spirit, forcing the spirit of barrenness to bow. A few weeks later, this same lady was giving God praise for the miracle that had taken place in her body.

She told us that her womb was twisted inside and that she had cysts on her ovaries. The doctors had tried various treatments but nothing had worked. Praise be to God the master physician who can fix the unfixable.

This lady had a dream, but it took spiritual knowledge and insight from God's Word to birth it and set her free.

In Ezekiel 37:1-14 there is a picture of this truth.

"The hand of the Lord was on me, and he brought me out by the Spirit of the Lord and set me in the middle of a valley; it was full of bones. 2 He led me back and forth among them, and I saw a great many bones on the floor of the valley, bones that were very dry."

In verse 2 we understand that the bones were very dry. Now, this lady's situation was very hopeless, humanly speaking. Dryness talks about lifelessness and helplessness. Remember, however, that the hand of the Lord carried Ezekiel in the Spirit of the Lord. That is the most effective state to be for prophecy or decrees to take place and have this effect. Being in the Spirit of the Lord is the right springboard for prophetic battles. Every time the Spirit of the Lord comes upon you, you have an initiation into the prophetic realm for doing battle.

Verse 4 says: "Then he said to me, "Prophecy to these bones and say to them, 'Dry bones, hear the word of the Lord!'"

All we need is the Word of the Lord. That was the substance needed to create. He spoke God's Word to the hopeless situation. "Hear the Word of the Lord." When confronted with any situation, speak the Word of the Lord. Speaking the Word of God to negative situations amounts to prophesying to those situations, commanding life into very dry situations of life.

LET ME
GIVE YOU
A FEW
EXAMPLES
OF HOW TO USE YOUR WORDS

Verse 7 continues: "So I prophesied as I was commanded. And as I was prophesying, there was a noise, a rattling sound, and the bones came together, bone to bone." The bones were scattered and lifeless, but as Ezekiel prophesied, the bones came together, preceded by a great noise and shaking. Folks this is a mighty force. Many believers struggle through life, instead of triumphing. No force can resist the power of God's Word in your mouth declared from a faith-filled heart.

Verse 8 tells us that the tendons and flesh came upon the bones, as well as skin. “I looked, and tendons and flesh appeared on them and skin covered them, but there was no breath in them.” They were still lifeless. Ezekiel was told to prophesy again in verse 9, but this time, to the winds to breathe upon the lifeless bodies, so they would live. “So I prophesied as he commanded me, and breath entered them; **they came to life and stood up on their feet—a vast army.**”
