

4TH DIMENSION

LIVING BEYOND THE WORLD SYSTEM

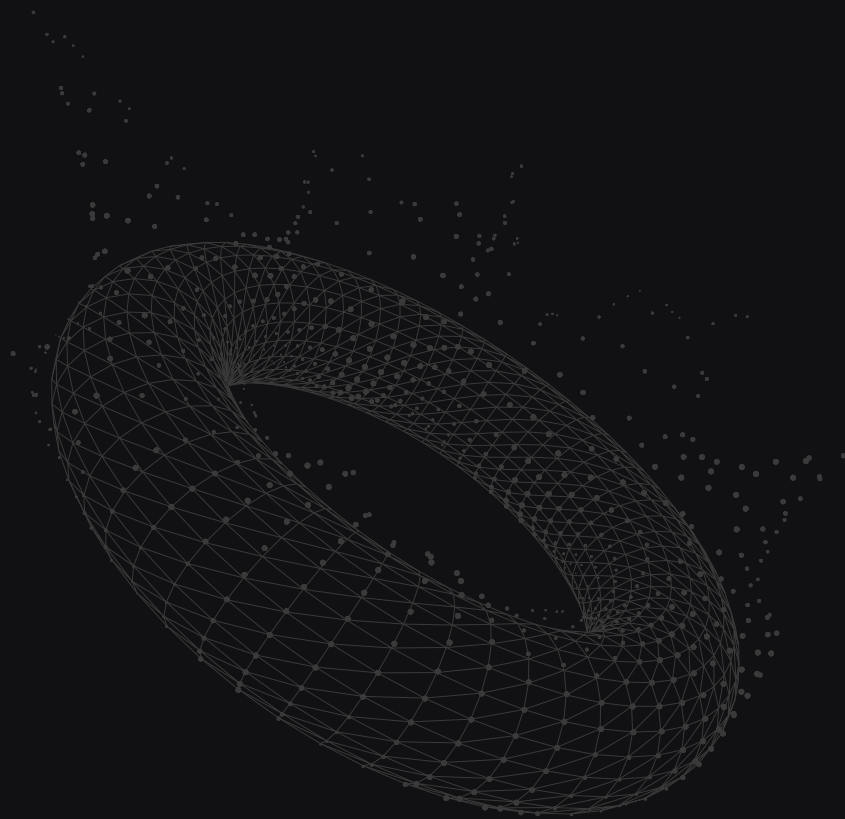

Dr Deloris Thomas

CHAPTER 1: INTRODUCTION

I want to first of all thank Teresa and the team for thinking about me to come and speak. It's pretty amazing. God is so good that He is mindful of us. I want to thank you, South Africa, for always welcoming me. I always feel like I'm at home here. I love all the curry, the humidity, the style, the dance—all the "extra" that makes Africa so unique. I truly enjoy being here. I want to thank all my hosts, Pastor Arvand, our new chairman of the board for the Joseph Business School, and all the Joseph Business School family.

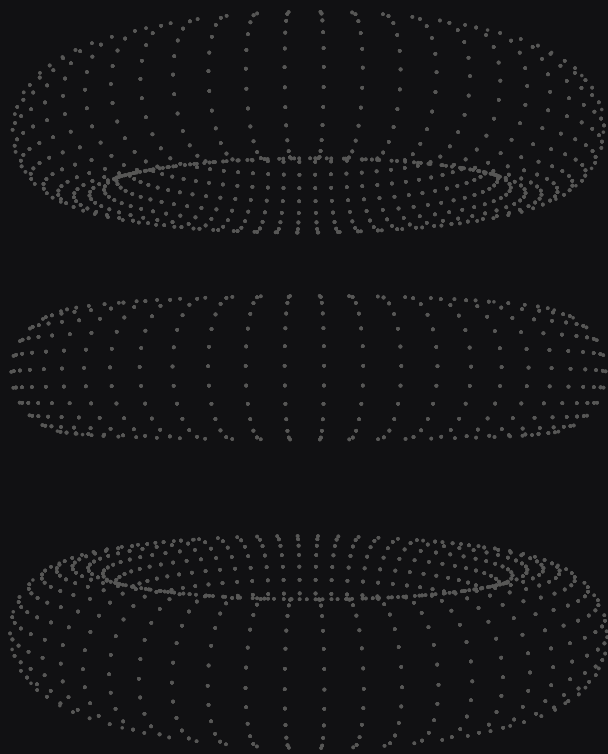

I must also thank Dr. Winston. We know God, but Dr. Winston, through his obedience to God's call, has been a tremendous influence. He's committed to preaching the gospel worldwide, revealing who God is. I also want to acknowledge my husband of 27 years, Pastor Ray Thomas, whose presence is always a blessing.

CHAPTER 2: THE FOURTH DIMENSION

Today, I want to talk about the fourth dimension and what it means to me. Pastor Teresa mentioned the mission of the Joseph Business School: living independent of this world system. But what does it really mean to live by faith and not by sight? What does it mean to allow God to do the supernatural in our lives in a way that the world takes notice?

Consider the story of David and Goliath. David recognized his spiritual authority to such a degree that he was able to slay a giant with just three smooth stones, using only one. When we think about our capacity as believers and our ability to operate in the supernatural realm, we should strive to have a revelation of who God has called us to be.

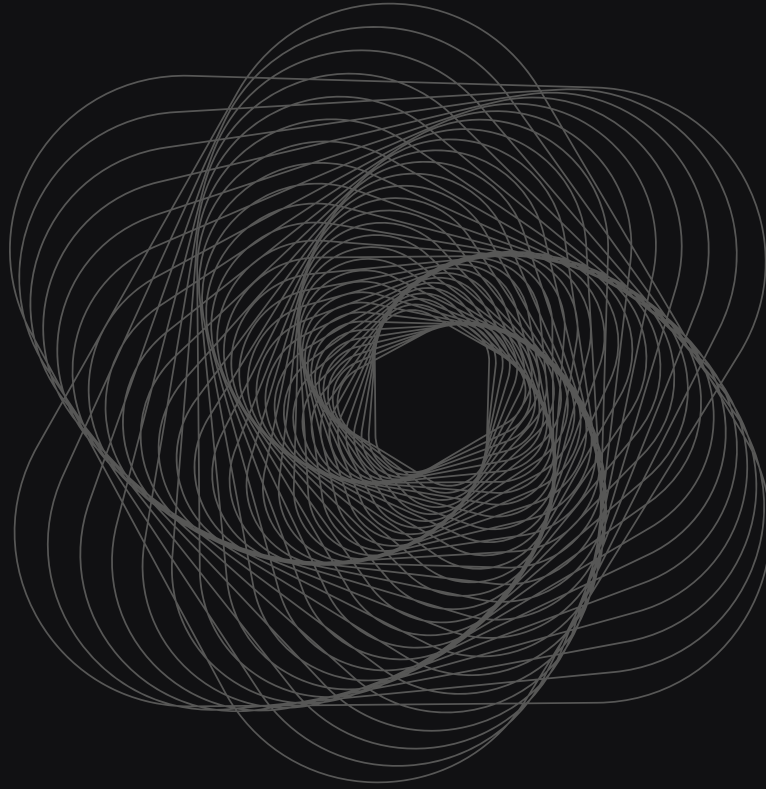

CHAPTER 3:

DISTINGUISHING GOD'S SYSTEM FROM THE WORLD SYSTEM

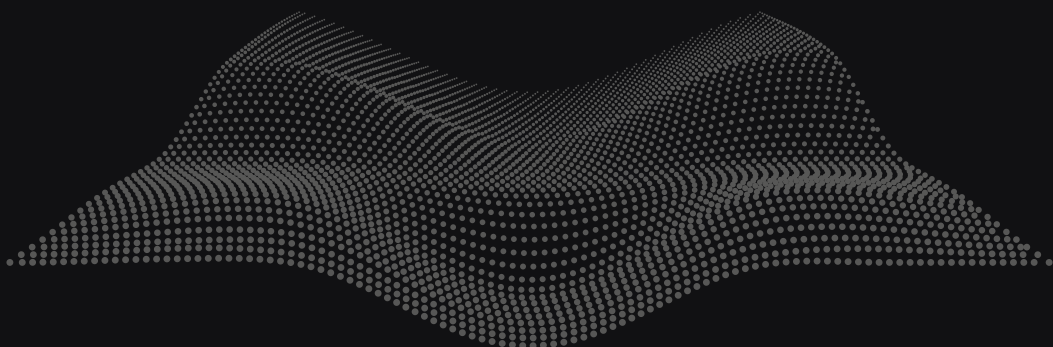

There is a clear delineation between the world system and God's system. As believers, we are supposed to be in the world but not of the world. However, many believers struggle to distinguish between the two. The world relies on the bank, falls into debt, and faces divorce. How can we, as the body of Christ, show the world that we are different?

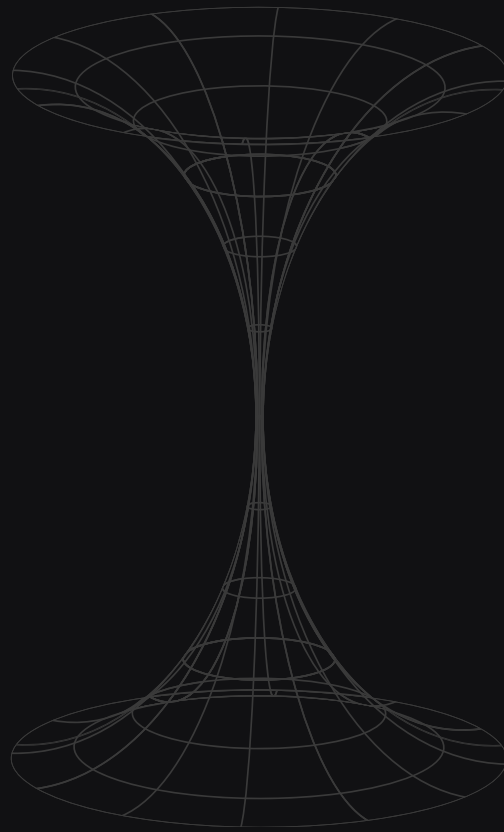

Our job is to represent God on earth so that people begin to envy us and desire to be like us as we are like Christ. In corporate environments, if you don't perform, you get fired. But in the church, we often ask for more grace. Today, I challenge you not to lean on grace but to lean on faith to do the impossible.

CHAPTER 4: **EMBRACING FAITH OVER GRACE**

Grace is available, but faith is even more powerful. With faith, you can speak to mountains and they must move. You can call things that are not as though they were. Instead of asking God for more grace, ask Him to help your unbelief and increase your faith to do what He has called you to do.

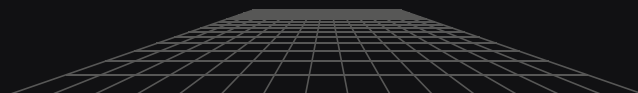

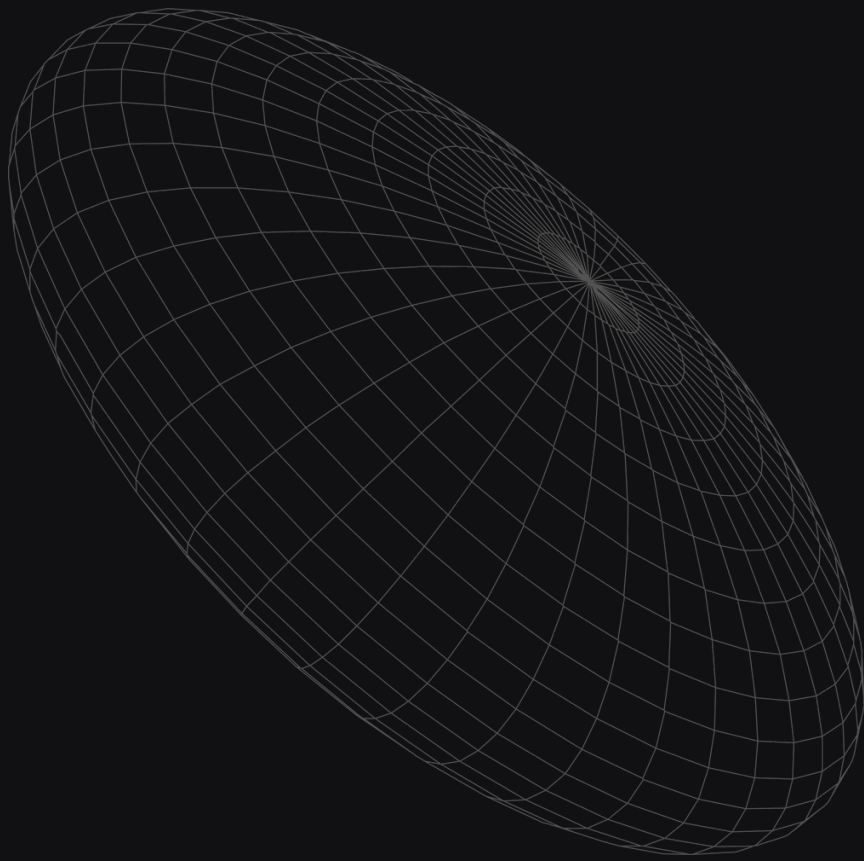

CHAPTER 5:

SCRIPTURAL FOUNDATIONS

Let's turn to a couple of scriptures. In Isaiah 11:1-2, it says, "There shall come forth a rod out of the stem of Jesse, and a Branch shall grow out of his roots. The spirit of the Lord shall rest upon him, the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge and of the fear of the Lord."

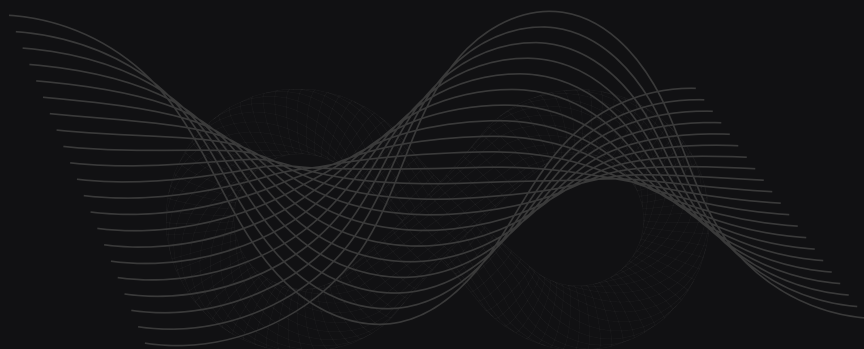

God loves rods. He uses them as symbols of authority and power. In Genesis 1:28, it says, "And God blessed them, and God said unto them, Be fruitful, and multiply, and replenish the earth, and subdue it: and have dominion over the fish of the sea, and over the fowl of the air, and over every living thing that moveth upon the earth."

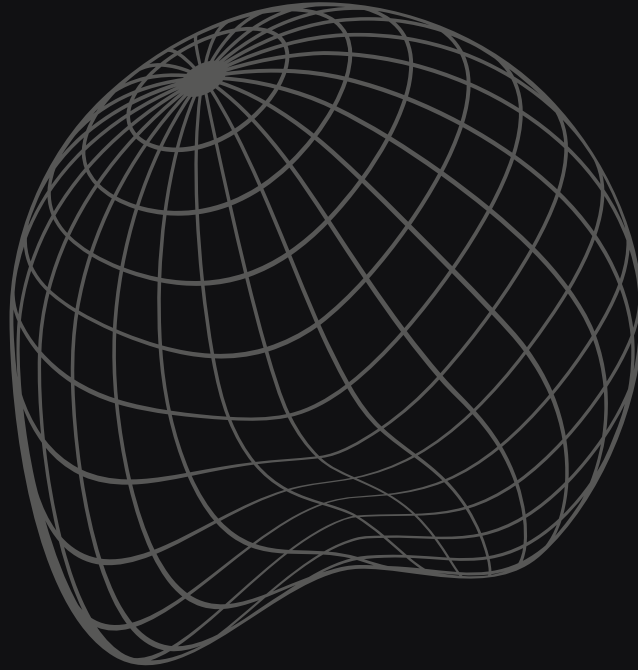

CHAPTER 6: **OPERATING IN THE ANOINTING**

The facets of the anointing mentioned in Isaiah 11:1-2 represent the power and ability of God. When we talk about the anointing, we refer to the spirit of the Lord, wisdom, understanding, counsel, might, knowledge, and the fear of the Lord. These are the attributes that empower us to operate in the fourth-dimensional realm.

CHAPTER 7:

THE REVELATION OF THE ANOINTING

When I first started working for Dr. Winston, I presented him with a corporate-style presentation. I thought I was helping the church with my corporate experience. However, Dr. Winston told me, "This is not anointed." I didn't understand what that meant. In the corporate world, I knew profit and loss, but the concept of "anointed" was foreign to me. Dr. Winston explained that the anointing removes burdens and destroys yokes, and my presentation felt burdensome.

The anointing of God, when it rests upon you, grants wisdom that no one can resist. The Bible says if you lack wisdom, you can ask God, and He will give it liberally. This includes the spirit of counsel and might. If you don't know which way to go, you can ask God for counsel.

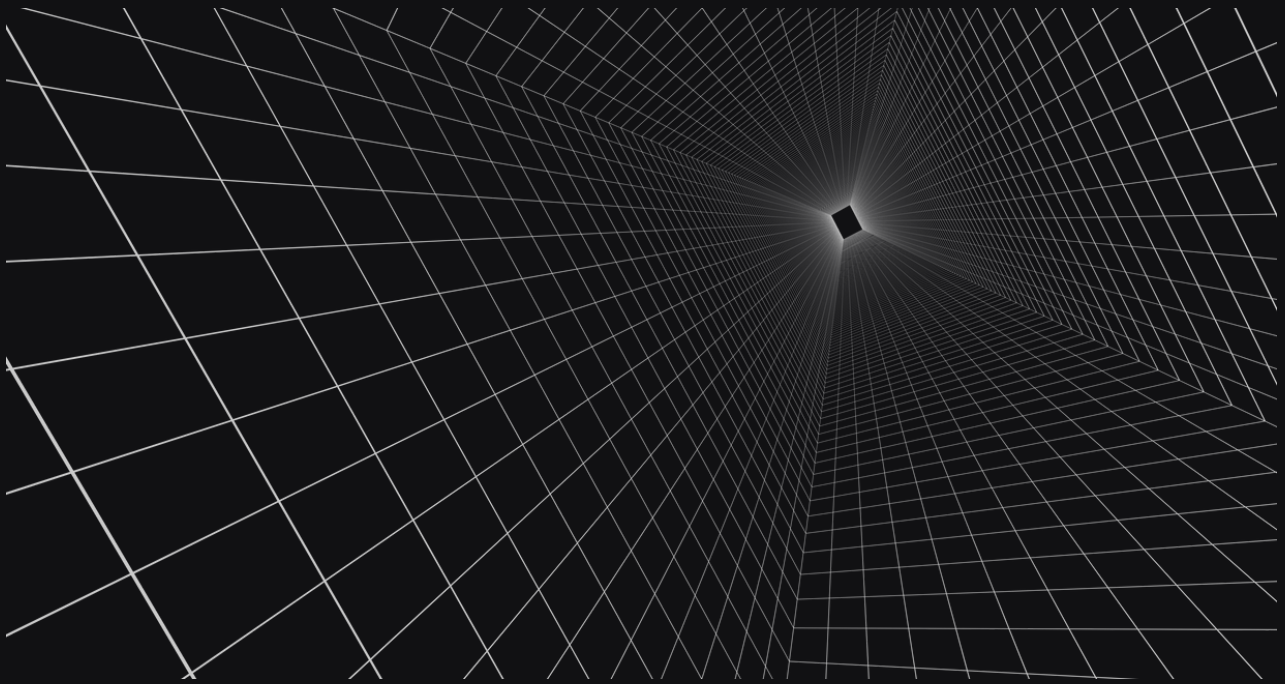

CHAPTER 8:

REAL-LIFE APPLICATION OF THE ANOINTING

Dr. Winston once faced a challenge with the property for his church. He had purchased a mall, but the municipality refused to allow church services in the building. Dr. Winston prayed, and God instructed him to read the scripture to the mayor. Despite not having an appointment, he pressed forth with faith and boldness.

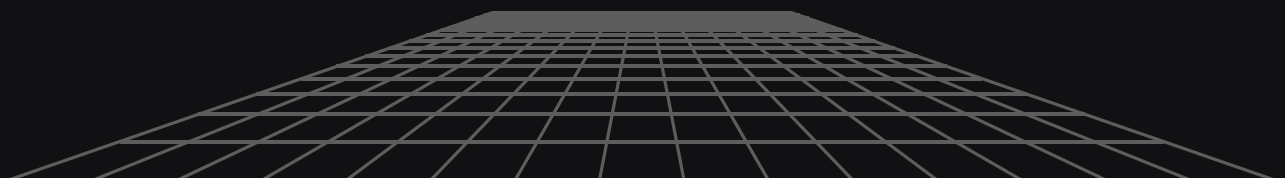

How many of us would go to the bank with a Bible because God told us to? It may sound good in theory, but living it out is different. Dr. Winston, a black man, went to a white mayor who had already denied his request. But through obedience and faith, the mayor allowed church services, demonstrating the power of living apart from the world system.

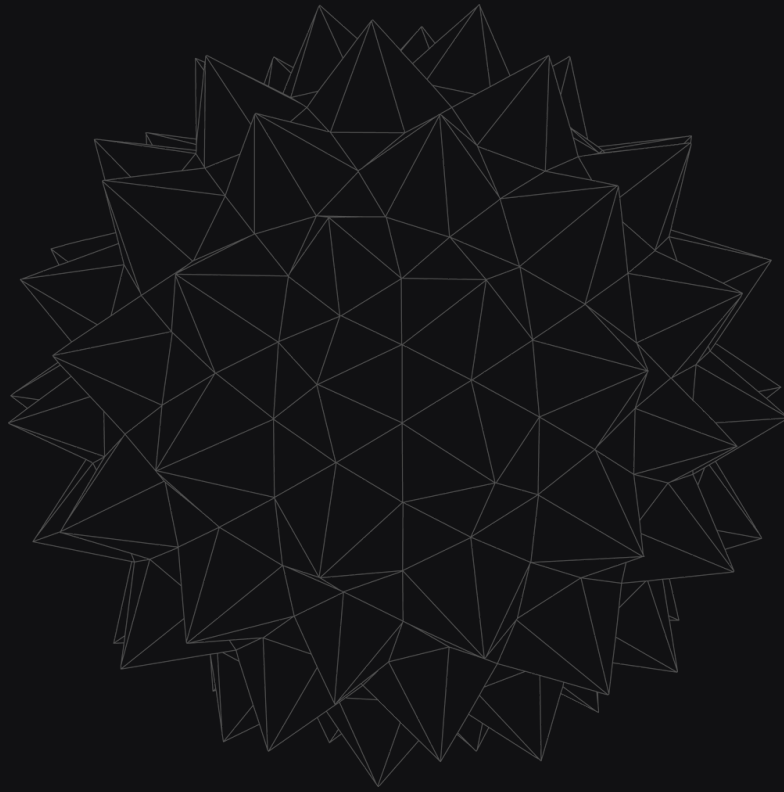

CHAPTER 9:

PERSEVERING WITH THE SPIRIT OF MIGHT

The spirit of might allows us to persevere beyond our physical limitations. When Peter toiled all night and caught nothing, he still obeyed Jesus' command to try again. The spirit of might gives us the ability to keep going when we're tired. Jesus promises to give us rest, not just sleep, but the faith to trust in His ability.

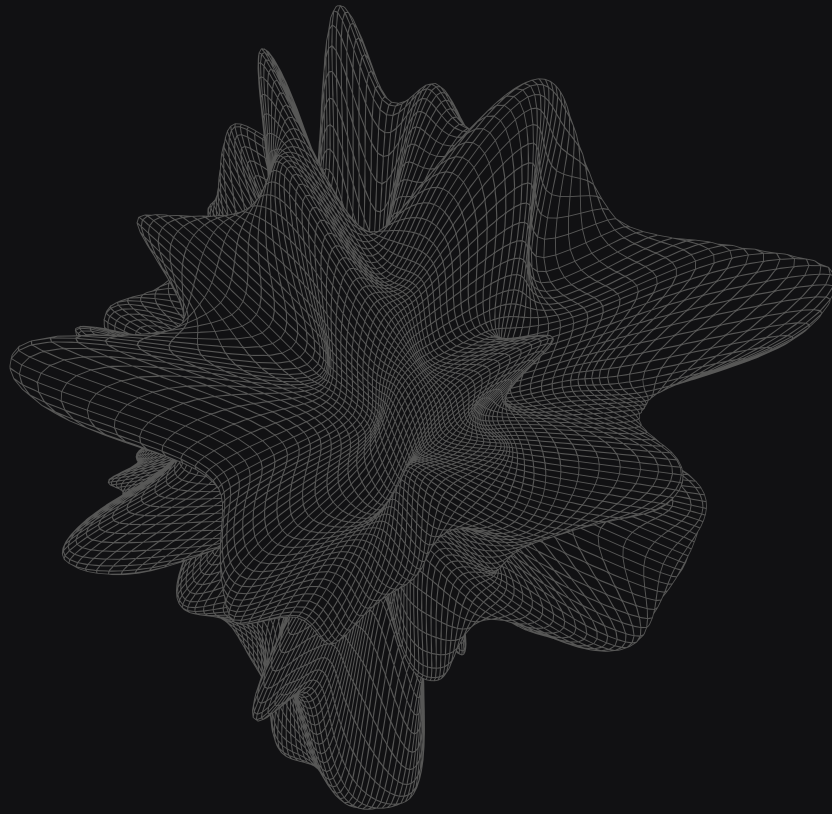

CHAPTER 10:

THE FEAR OF THE LORD

The spirit of knowledge and the fear of the Lord are crucial components of the anointing. The fear of the Lord is not about trembling in terror, but about profound reverence. When God shows up, everything changes. The fear of the Lord means understanding the extent of His power and giving Him the reverence He deserves.

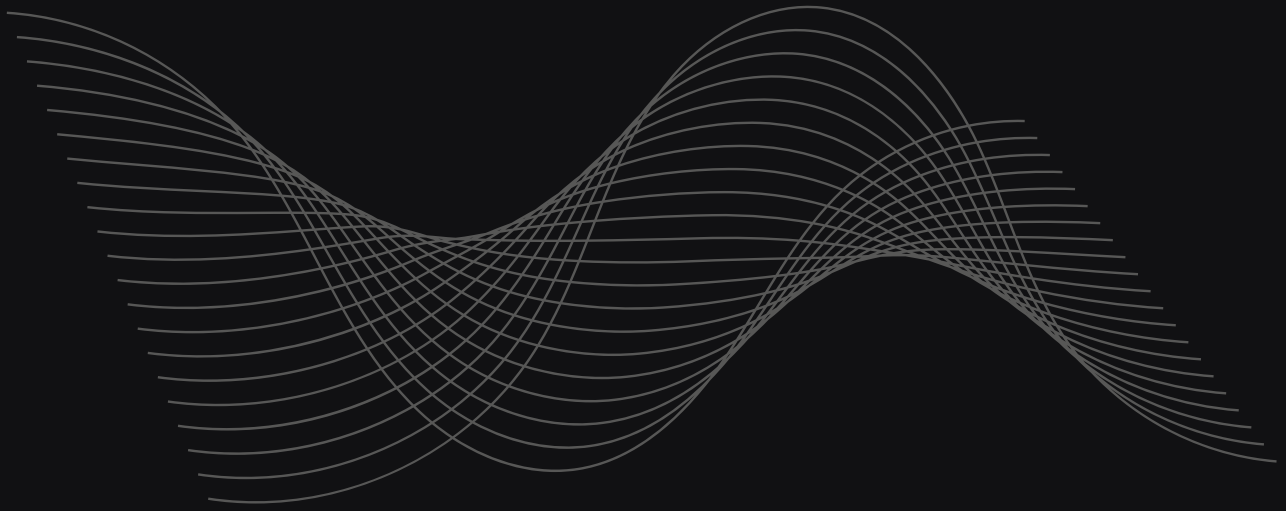

To operate in the fourth-dimensional realm, you must leave your flesh. Although we are spirit beings, we often operate in the flesh, limiting our potential. If you only see yourself as flesh, you miss out on the spiritual authority God has given you. Gideon, for example, saw himself as insignificant, but God saw a mighty man of valor. When you see yourself as God sees you, you can accomplish the impossible.

CHAPTER 11:

EMBRACING YOUR SPIRITUAL IDENTITY

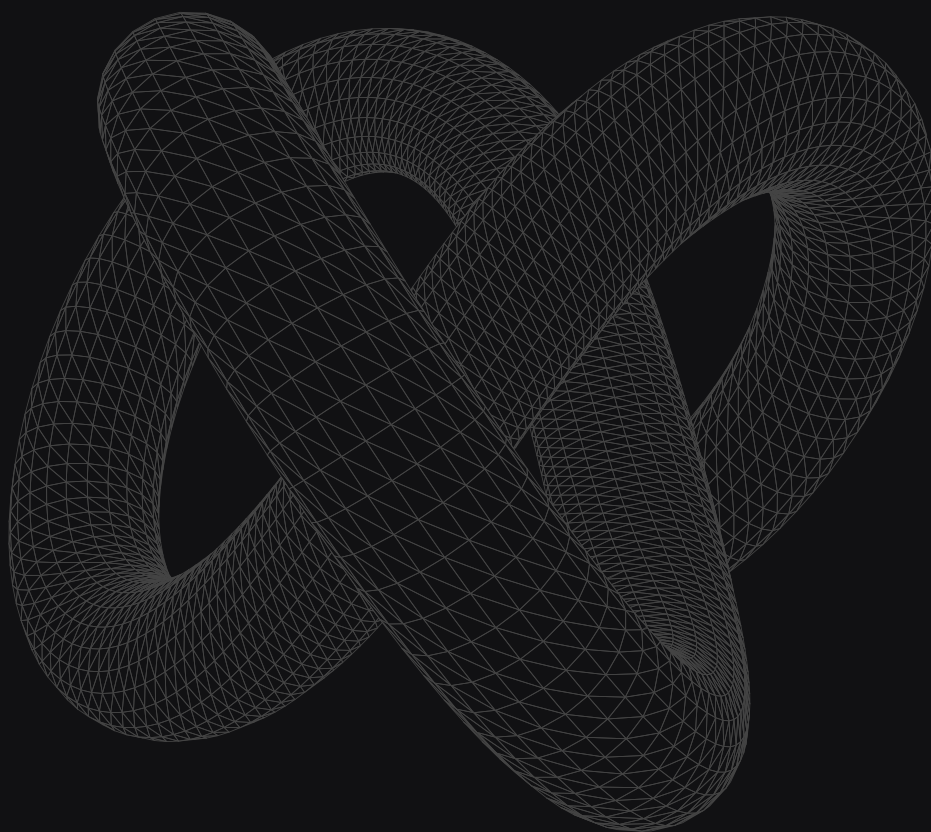

God told Dr. Winston to buy a shopping mall despite having no resources or experience. By seeing himself as God saw him and standing on God's promises, Dr. Winston was able to possess the mall. The same anointing and revelation that God gave Dr. Winston is available to us through partnership.

CHAPTER 12:

LIVING BY GOD'S SYSTEM

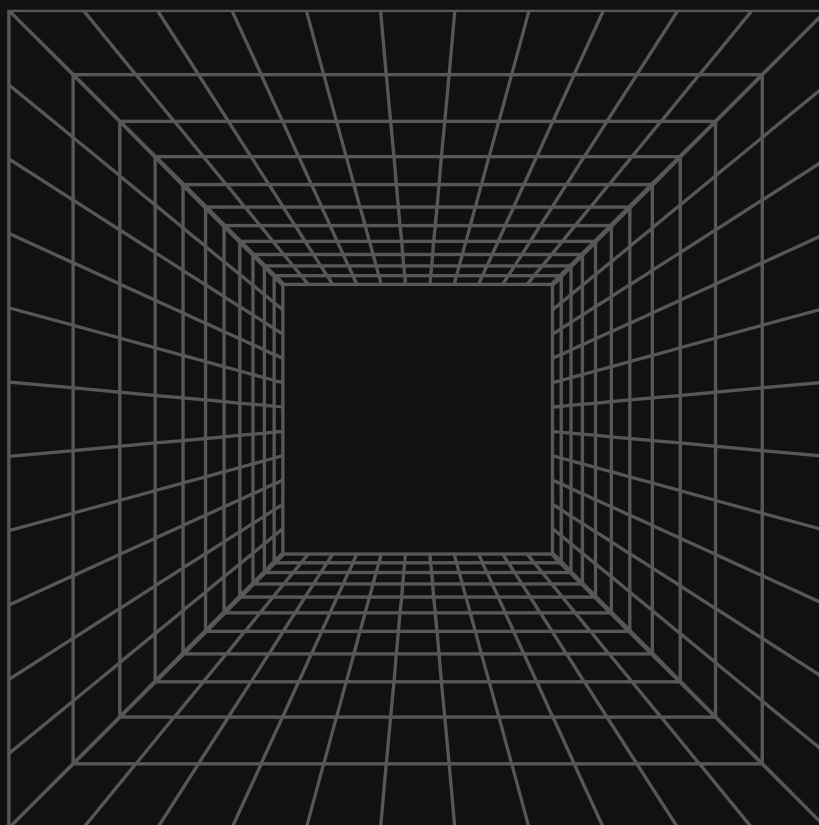

Living in the fourth dimension means operating by God's system, not the world's system. In God's system, faith and seed-time harvest are the currencies. When we align with God's system, He provides for us in ways we can't imagine. Dr. Winston's journey from renting a space to owning a mall exemplifies this principle.

CHAPTER 13:

THE IMPORTANCE OF SAYING "YES"

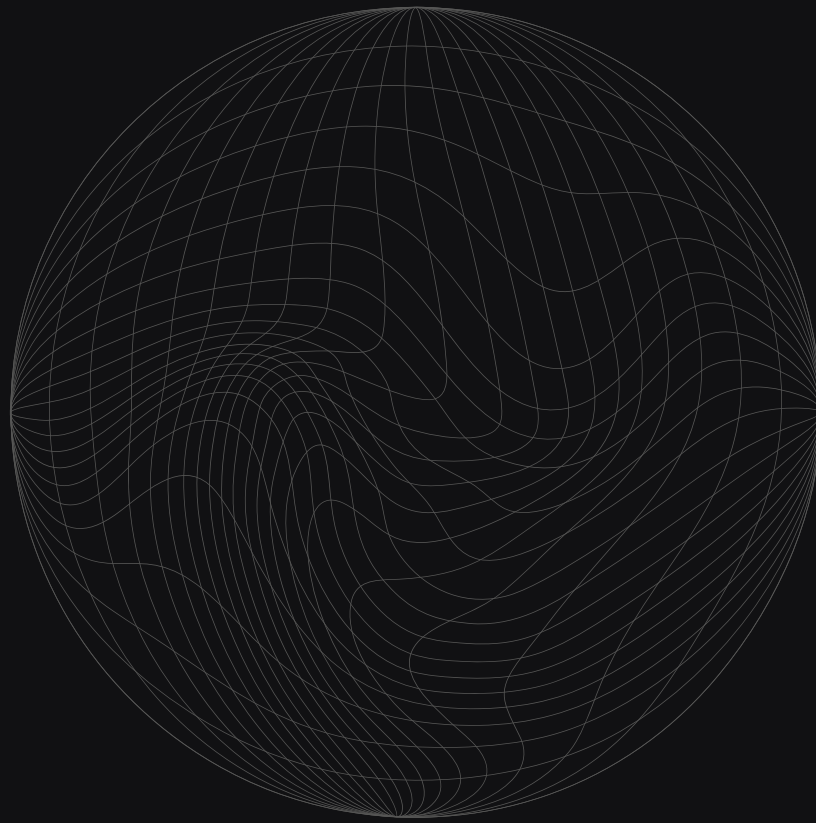

When God calls you to do something, your response should be "Okay." This simple act of obedience unlocks the door to God's supernatural provision. My husband and I experienced this when we were called to start business schools worldwide. By saying "yes," God provided everything we needed, even in unexpected ways.

CHAPTER 14:

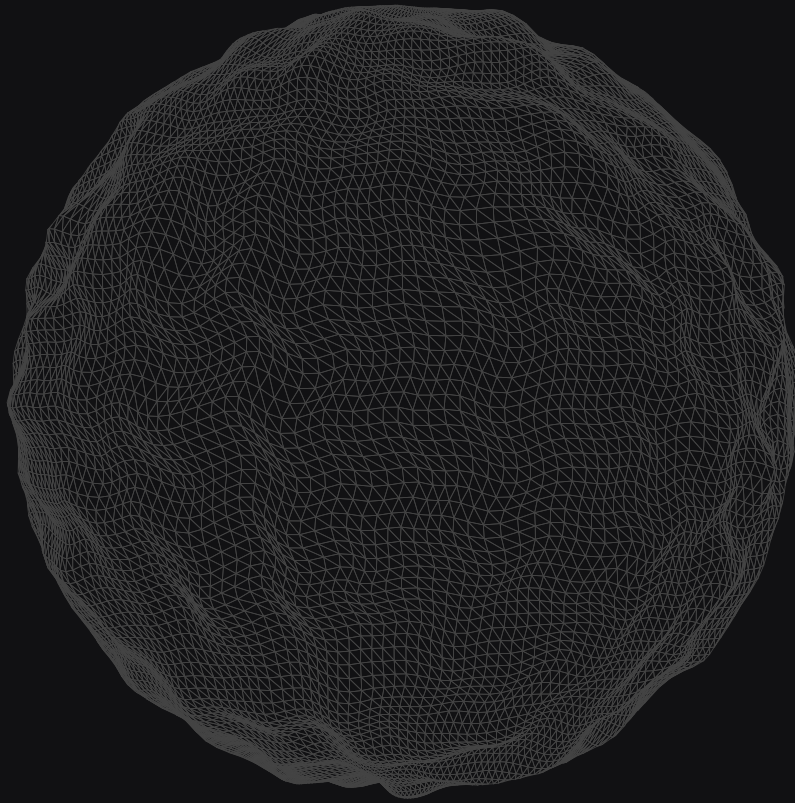

GOD'S STRATEGIES FOR WEALTH

God's system for creating wealth differs from the world's system. When we are good stewards of what God provides, He multiplies it. By following His instructions, we can see miraculous financial growth. God's strategies for wealth include tithing, saving, and sowing seeds, which He uses to bless us abundantly.

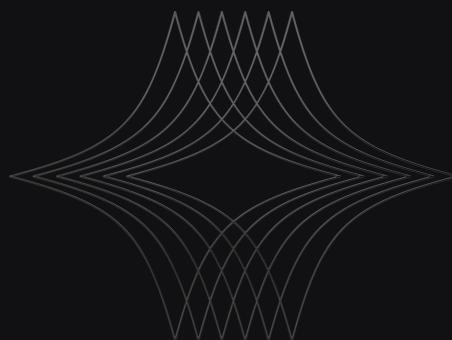

CHAPTER 15: **SERVING OTHERS**

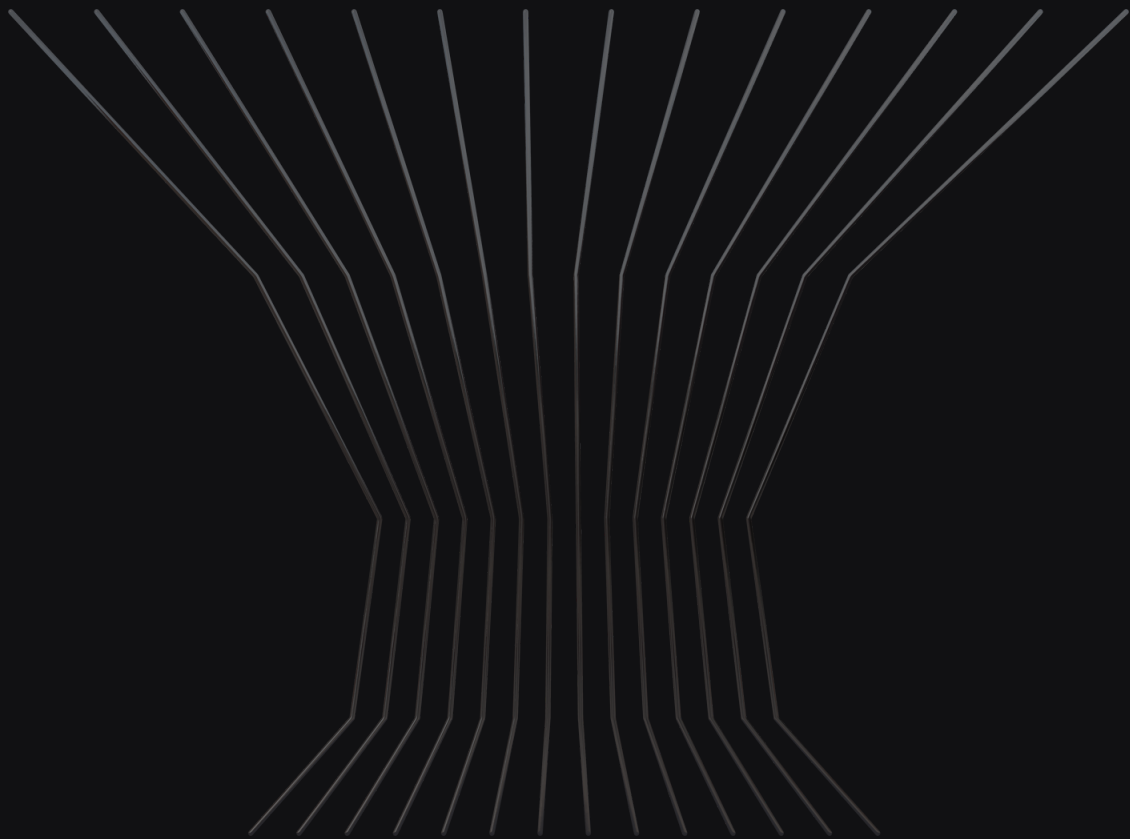

God's system for creating wealth differs from the world's system. When we are good stewards of what God provides, He multiplies it. By following His instructions, we can see miraculous financial growth. God's strategies for wealth include tithing, saving, and sowing seeds, which He uses to bless us abundantly.

CHAPTER 15: **SERVING OTHERS**

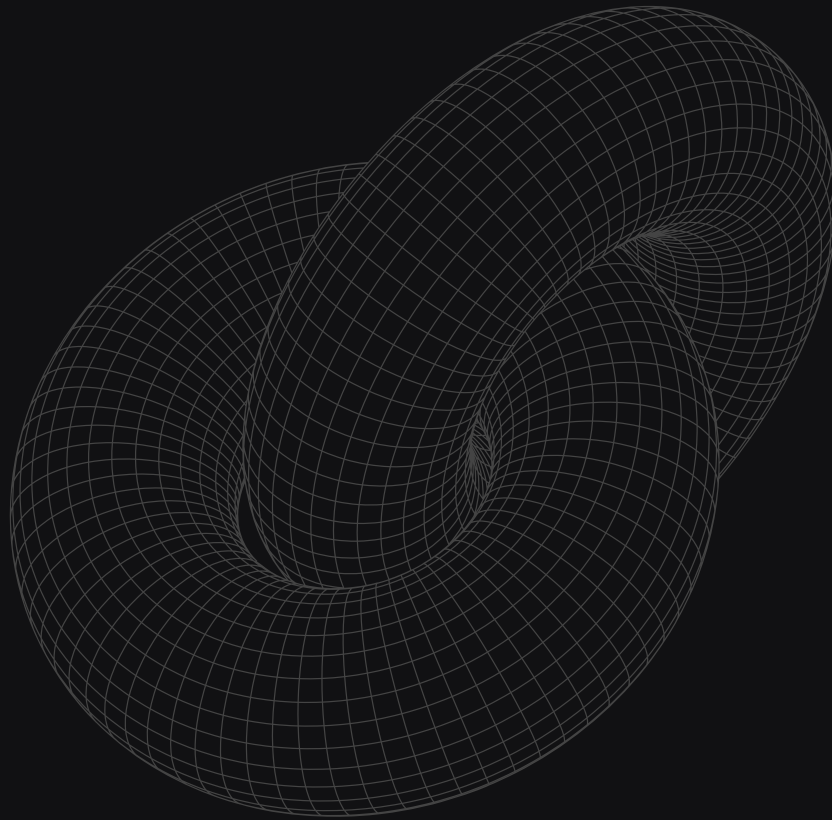

In the kingdom of God, true status and power come from serving others. Jesus exemplified this through His life and ministry. When we serve others, we reflect Christ's love and gain true honor and recognition in God's eyes.

CHAPTER 15: **SERVING OTHERS**

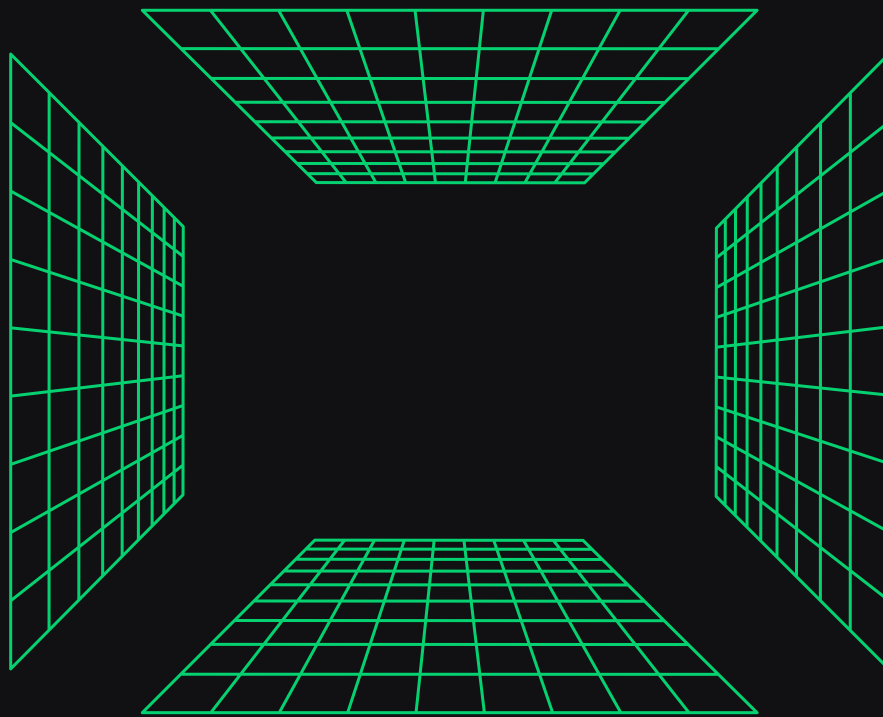

In the kingdom of God, true status and power come from serving others. Jesus exemplified this through His life and ministry. When we serve others, we reflect Christ's love and gain true honor and recognition in God's eyes.

CHAPTER 16:

THE POWER OF GOD'S WORD

In the kingdom of God, true status and power come from serving others. Jesus exemplified this through His life and ministry. When we serve others, we reflect Christ's love and gain true honor and recognition in God's eyes.

CHAPTER 17: CONCLUSION

Living in the fourth dimension is about embracing our spiritual authority and operating in the supernatural realm with faith. As believers, we must distinguish ourselves from the world and represent God in a way that others desire to emulate. Let's embrace our anointing, increase our faith, and step into the fourth dimension where the supernatural becomes our natural way of living.
