Competitive Pricing

VISION

To be an industry-leading and trusted supplier of self-adhesive label materials in South Africa, supporting label converters and packaging manufacturers with reliable supply, consistent product quality, and practical reel formats designed for modern label production.

Mission

01

Supply reliable label materials for converters and printers.

02

Provide production-ready master reels for efficient slitting.

03

Support packaging growth through consistent material supply.

Sun Paper materials combine printable facestocks, pressure-sensitive adhesives, and glassine liners engineered for reliable flexographic printing and label converting.
